

EMMA

European Multiple Myeloma Academy

30th EMMA / Post-ASCO / Post-EHA meeting 2024

Friday 6th - Saturday 7th, September 2024
Madrid, Spain

In-person meeting

Hilton Madrid Airport Hotel

Chairs:

Jesús F. San-Miguel, Clínica Universidad de Navarra, Pamplona (Spain)

Heinz Ludwig, Wilhelminen Cancer Research Institute, Vienna (Austria)

Organized by:

Universidad
de Navarra

Friday, 6th September 2024

- 09:00 - 09:10 **Opening**
Jesús F. San-Miguel, Heinz Ludwig
- 09:10 - 10:25 **PLENARY SESSION 1: MYELOMA BIOLOGY**
Moderator: Heinz Ludwig
- 09:10 - 09:30 **Biology: from MGUS to MM**
Felipe Prósper
- 09:30 - 09:50 **MGUS with systemic manifestations**
Joan Bladé
- 09:50 - 10:10 **Smoldering Multiple Myeloma**
Jesús F. San-Miguel
- 10:10 - 10:25 **Experts' discussion around 5 burning questions:**
1. What is the meaning of genetic and epigenetic changes in MGUS and SMM?
2. When to attribute clinical manifestations to the M-component?
3. Optimal treatment in MGUS with renal impairment
4. How to define High Risk SMM?
5. To treat or not to treat SMM
Discussants: H. Avet-Loiseau, J. Bladé, H. Ludwig, F. Prósper, J. San-Miguel, TBC
- 10:25 - 10:35 *Break*
- 10:35 - 11:50 **PLENARY SESSION 2. NEW TOOLS FOR PROGNOSTICATION AND MONITORING IN MM**
Moderator: Heinz Ludwig
- 10:35 - 10:55 **Genomics in myeloma: new tools and new definitions**
Hervé Avet-Loiseau
- 10:55 - 11:15 **MRD: to whom, when and with which technique**
Bruno Paiva
- 11:15 - 11:35 **MRI and CT-PET**
Elena Zamagni
- 11:35 - 11:50 **Experts' discussion around 5 burning topics:**
1. Optimal techniques for genetics
2. Optimal MRD technique
3. Prognostic factors or biomarker for treatment
4. Should we stratify patients?
5. Should we implement PET in routine clinical practice?
Discussants: H. Avet-Loiseau, H. Ludwig, S. Manier, B. Paiva, E. Terpos, E. Zamagni
- 11:50 - 12:00 *Break*
- 12:00 - 13:15 **WORKSHOPS**
Moderator: Jesús F. San-Miguel
1. Optimal management of novel T-cell redirecting agents
Paula Rodríguez-Otero
2. Difficult to treat MM (extramedullary, CNS, oligosecretory, solitary, PCL, biochemical relapse)
Fredrik Schjesvold
3. Emergencies and supportive care (cord compression, RI, hyperCa, bone disease)
Evangelos Terpos
- 13:00 - 13:15 **Questions & discussion**
- 13:15 - 14:00 *Break*

Friday, 6th September 2024

- 14:00 - 14:30** **PLENARY SESSION 3. KEYNOTE LECTURE**
Moderator: Jesús F. San-Miguel
- 14:00 - 14:20** **Infections and myeloma**
Heinz Ludwig
- 14:20 - 14:30** **Questions & discussion**
- 14:30 - 14:40** *Break*
- 14:40 - 15:55** **PLENARY SESSION 4. FRONT LINE TREATMENT FOR YOUNG PATIENTS WITH MM**
Moderator: Jesús F. San-Miguel
- 14:40 - 15:00** **Induction and transplant**
Philippe Moreau
- 15:00 - 15:20** **Consolidation and maintenance**
Francesca Gay
- 15:20 - 15:40** **How to approach high-risk patients**
Katja Weisel
- 15:40 - 15:55** **Experts' discussion on 5 burning topics:**
1. Best induction
2. Early vs. late transplant
3. One vs. two
4. Consolidation & maintenance
5. High risk
Discussants: J. Bladé, F. Gay, P. Moreau, J. San-Miguel, N. Van De Donk, K. Weisel
- 15:55 - 16:05** *Break*
- 16:05 - 16:40** **PLENARY SESSION 5. FRONT LINE TREATMENT FOR ELDERLY PATIENTS WITH MM**
Moderator: Heinz Ludwig
- 16:05 - 16:25** **How I treat elderly patients**
Salomon Manier
- 16:25 - 16:45** **How I treat elderly frail patients**
Kazimierz Groen
- 16:45 - 17:00** **Experts' discussion on 5 burning topics:**
1. Optimal combination and duration
2. Maintenance/continuous
3. Do we need alkylators?
4. High risk
5. Frailty
Discussants: M. Boccadoro, F. Gay, K. Groen, H. Ludwig, S. Manier, TBC

Saturday, 7th September 2024

- 09:00 - 10:35** **PLENARY SESSION 6. MANAGEMENT OF THE RELAPSED PATIENT**
Moderator: Jesús F. San-Miguel
- 09:00 - 09:20** **How I treat relapsed patients (with approved drugs)**
Mario Boccadoro
- 09:20 - 09:40** **Clinical data with bispecific and ADC in the relapsed patient**
Niels Van de Donk
- 09:40 - 10:00** **Clinical data with CAR-T cells and other adoptive therapies**
Hermann Einsele
- 10:00 - 10:20** **New pathways in Myeloma: novel drugs**
Enrique Ocio
- 10:20 - 10:35** **Experts' discussion on 5 burning topics:**
1. Biological relapse versus aggressive relapse
2. Triplet versus doublets: is it cost-effective?
3. Is CAR-T the future? Alone or combined with anti-MM drugs?
4. Bispecific antibodies or CAR-T
5. Industry or academia
Discussants: M. Boccadoro, H. Einsele, E. Ocio, P. Rodríguez, J. San-Miguel, N. Van de Donk
- 10:35 - 10:45** *Break*
- 10:45 - 12:00** **PLENARY SESSION 7. HOW I TREAT OTHER MALIGNANT GAMMOPATHIES**
Moderator: Jesús F. San-Miguel
- 10:45 - 11:05** **Amyloidosis**
Giampaolo Merlini
- 11:05 - 11:25** **Waldenström macroglobulinemia**
Efsthios Kastiris
- 11:25 - 11:45** **POEMS**
María Teresa Cibeira
- 11:45 - 12:00** **Questions & discussion**
- 12:00 - 12:20** **CLOSING REMARKS**
Jesús F. San-Miguel

Organized by:

Universidad
de Navarra

List of Faculty

Hervé Avet-Loiseau
Institut Universitaire du Cancer Toulouse - Oncopole, Toulouse (France)

Joan Bladé
Hospital Clínic Universitari, Barcelona (Spain)

Mario Boccardo
Università degli Studi di Torino, Turin (Italy)

María Teresa Cibeira
Hospital Clínic Universitari, Barcelona (Spain)

Hemann Einsele
University Hospital Würzburg, Würzburg (Germany)

Francesca Gay
Università degli Studi di Torino, Turin (Italy)

Kazimierz Groen
VU University Medical Center, Amsterdam (The Netherlands)

Efstathios Kastritis
National and Kapodistrian University of Athens, Athens (Greece)

Heinz Ludwig
Wilhelminen Cancer Research Institute, Vienna (Austria)

Salomon Manier
Lille Hospital University, Lille (France)

Giampaolo Merlini
Fondazione IRCCS Policlinico San Matteo, Pavia (Italy)

Philippe Moreau
University Hospital Hôtel-Dieu, Nantes (France)

Enrique Ocio
Hospital Univ. Marqués de Valdecilla, Santander (Spain)

Bruno Paiva
Clínica Universidad de Navarra, Pamplona (Spain)

Felipe Prósper
Clínica Universidad de Navarra, Pamplona (Spain)

Paula Rodríguez Otero
Clínica Universidad de Navarra, Pamplona (Spain)

Jesús F. San-Miguel
Clínica Universidad de Navarra, Pamplona (Spain)

Fredrik Schjesvold
Oslo University Hospital, Oslo (Norway)

Evangelos Terpos
General Hospital of Athens, Athens (Greece)

Niels Van de Donk
VU University Medical Center, Amsterdam (The Netherlands)

Katja Weisler
University Medical Center Hamburg-Eppendorf, Hamburg (Germany)

Elena Zamagni
Seragnoli Institute of Hematology, Bologna (Italy)

Venue

Hilton Madrid Airport

Av de la Hispanidad, 2, 4, 28042 Madrid, Spain

This meeting is targeted towards myeloma treating physicians who are interested in understanding and discussing the latest developments in myeloma diagnosis and treatment.

Campus Universidad de Navarra

This meeting is organized and hosted by Professor Jesús F. San-Miguel, Clínica Universidad de Navarra, Pamplona (Spain).
